Visit our site

The CLIOHnet2 site (www.clioh.net) gives further information about our Network. It gives direct links to related Networks and projects, and allows free download of our Clloh's Notebooks publications and those of CLIOHRES.net.

Use the CLIOHnet2 and CLIOHRES volumes

Our books can be purchased on-line (links on our website). They are handsomely printed and bound, with full colour heavy handmade paper covers, and reasonably priced. The proceeds are used to finance the printing of doctoral dissertations.

Design your own course books

If you prefer, use the free download version. Use the chapters you need to design a custom-tailored course book.

Join HEKLA, the CLIOHnet/CLIOHRES.net Association

Forms are available on the sites of both Networks.
